

SHERIFF'S CORNER

Sheriff's Safety Tip of the Week

What is the Census 2010?

When we all answer the Census, our needs are heard.

"The actual enumeration shall be made within three years after the first meeting of the Congress of the United States, and within every subsequent term of 10 years, in such manner as they shall by Law direct."

- Article I, Section 2 of the Constitution of the United States

The U.S. Census counts every resident in the United States, and is required by the Constitution to take place every 10 years.

The 2010 Census will help communities receive more than \$400 billion in federal funds each year for things like:

- Hospitals
- Job training centers
- Schools
- Senior centers
- Bridges, tunnels and other-public works projects
- Emergency services

The data collected by the census also help determine the number of seats your state has in the U.S. House of Representatives.

We can't move forward until you mail it back.

In March of 2010, census forms will be delivered to every residence in the United States and Puerto Rico. When you receive yours, just answer the 10 short questions and then mail the form back in the postage-paid envelope provided. If you don't mail the form back, you may receive a visit from a [census taker](#), who will ask you the [questions from the form](#).

What is a Census Taker?

Open the door to a census taker and open doors for your community.

By being counted you are standing up for what your community's needs are. That's why census takers are so important. A census taker is a person from your community who is hired by the Census Bureau to make sure that your neighborhood gets represented as accurately as possible. The census taker's primary responsibility is to collect census information from residences that have not sent back their 2010 Census form.

- The Census Bureau provides the census taker with a binder containing all of the addresses that didn't send back a filled out census form
- The census taker then visits all of those addresses and records the answers to the questions on the form
- If no one answers at a particular residence, a census taker will visit that home up to three times, each time leaving a door hanger featuring a phone number; residents can call the number on the hanger to schedule the visit

The census taker will wear a badge around their neck in plain view to identify themselves and will never enter your home, if a census taker asks to enter your home then they are not working for the census 2010. The census taker will ONLY ask the questions that appear on the census form.

Do I have to talk to the census taker?

Yes. Your participation in the 2010 Census is vital and required by law, ([Section 221, of Title 13 of the U.S. Code](#)). However, rather than rely on criminal charges, the Census Bureau is very successful in getting participation by explaining the importance of the questions we ask and how the information benefits our communities.

Your [privacy and confidentiality](#) is our priority:

The census taker who collects your information is sworn for life to protect your data under [Federal Law Title 13](#). Those who violate the oath face criminal penalties: Under federal law, the penalty for unlawful disclosure is a fine of up to \$250,000 or imprisonment for up to 5 years, or both.

EMPLOYEE SPOTLIGHT

Corporal Malcolm Long

Corporal Malcolm Long has been employed with the Brunswick County Sheriff's Office since November 1, 1992. Corporal Long started with the Uniform Division as a Deputy in 1992. Corporal Long has worked his way through each division, he was a Civil Officer, Warrant Officer, School Resource Officer, Sergeant over the School Resource Officers, Bailiff and he was promoted to Corporal over the Bailiffs on September 7, 2009. His goal is to be successful in every position he holds. Corporal Long has seen a lot of changes and watched our county grow through the years. He has always provided professional services to the citizens of Brunswick County. He is married to Emily and they have five children three boys and two girls. They are members of the Holden Beach Chapel. We appreciate all of his hard work and dedication to the BCSO.
