

Sec. 5. Manner of Operation. Golf carts shall not be operated on the public streets, roads and highways of the County, except in full compliance with the provision of this section.

(a) Hours of Operation. Golf carts may be driven on the public roads, streets and highways of the unincorporated areas of the County from one-half hour after sunrise to one-half hour before sunset, except that golf carts equipped with at least one operating headlight, having at least a 55 watt halogen, or equal, bulb on the front of the golf cart, and operating, functional tail lights all of which are visible for a distance of not less than 250 feet, may be operated at any time.

Golf carts may not be operated when fog, smog, smoke or other conditions reduce visibility so that the golf cart is not visible for a distance of 250 feet.
